The Board reviewed a request for opinion relative to a proposal submitted by Lisa Harris Baker, Pharm.D., MBA and Director of Pharmacy for *PRN-Systems Connect, LLC*. The company provides remote review and entry of chart orders for hospitals located in various parts of the country.

The Board advised that in order to provide the services described in the proposal, each pharmacist who participates in this process involving patients located in New Hampshire hospitals and correctional facilities must be licensed to practice (as a pharmacist) in New Hampshire. The facility itself, in this case *PRN-Systems Connect, LLC* would not be required to be licensed in New Hampshire.
